Our Great God

Eternal God unchanging
Mysterious and unknown
Your boundless love unfailing
Grace and mercy shown
Bright seraphim in ceaseless flight
Around Your glorious throne
They raise their voices day and night
In praise to You alone

*Hallelujah glory be to our great God
Hallelujah glory be to our great God*

Lord we are weak and frail
Helpless in the storm
Surround us with Your angels
Hold us in Your arms
Our cold and ruthless enemy
His pleasure is our harm
Rise up O Lord and he will flee
Before our sovereign God

*Hallelujah glory be to our great God
Hallelujah glory be to our great God*

Let every creature in the sea
And every flying bird
Let every mountain, every field
And valley of the earth
Let all the moons and all the stars
In all the universe
Sing praises to the living God
Who rules them by His Word

*Hallelujah glory be to our great God
Hallelujah glory be to our great God*

Come Behold the Wondrous Mystery

Come behold the wondrous mystery
In the dawning of the King
He the theme of heaven's praises
Robed in frail humanity
In our longing in our darkness
Now the light of life has come
Look to Christ who condescended
Took on flesh to ransom us

Come behold the wondrous mystery
He the perfect Son of Man
In His living in His suffering
Never trace nor stain of sin
See the true and better Adam
Come to save the hell-bound man
Christ the great and sure fulfillment
Of the law in Him we stand

Come behold the wondrous mystery
Christ the Lord upon the tree
In the stead of ruined sinners
Hangs the Lamb in victory
See the price of our redemption
See the Father's plan unfold
Bringing many sons to glory
Grace unmeasured love untold

Come behold the wondrous mystery
Slain by death the God of life
But no grave could e'er restrain Him
Praise the Lord He is alive
What a foretaste of deliverance
How unwavering our hope
Christ in power resurrected
As we will be when He comes

Jesus Draw Me Ever Nearer

Jesus draw me ever nearer
As I labor through the storm
You have called me to this passage
And I'll follow though I'm worn

*May this journey bring a blessing
May I rise on wings of faith
And at the end of my heart's testing
With Your likeness let me wake*

Jesus guide me through the tempest
Keep my spirit staid and sure
When the midnight meets the morning
Let me love You even more

*May this journey bring a blessing
May I rise on wings of faith
And at the end of my heart's testing
With Your likeness let me wake*

Let the treasures of the trial
Form within me as I go
And at the end of this long passage
Let me leave them at Your throne

*May this journey bring a blessing
May I rise on wings of faith
And at the end of my heart's testing
With Your likeness let me wake*

A Mighty Fortress Is Our God

A mighty fortress is our God
A bulwark never failing
Our helper He amid the flood
Of mortal ills prevailing
For still our ancient foe
Doth seek to work us woe
His craft and power are great
And armed with cruel hate
On earth is not his equal

Did we in our own strength confide
Our striving would be losing
Were not the right Man on our side
The Man of God's own choosing
Dost ask who that may be
Christ Jesus it is He
Lord Sabaoth His name
From age to age the same
And He must win the battle

And tho' this world with devils filled
Should threaten to undo us
We will not fear for God hath willed
His truth to triumph thru us
The prince of darkness grim
We tremble not for him
His rage we can endure
For lo his doom is sure
One little word shall fell him

That word above all earthly powers
No thanks to them abideth
The Spirit and the gifts are ours
Thru Him who with us sideth
Let goods and kindred go
This mortal life also
The body they may kill
God's truth abideth still
His kingdom is forever
